

THE BUSINESS HOUR

Cyber Security - Don't be Held Hostage

Tuesday, August 20, 2019 8:00 - 9:00 am

You are invited to join other business leaders for an exclusive presentation given by security expert Chris Aguilar. You will learn how to apply his experience and expertise as Vice President of Operations for C3 Systems and Security.

This First Bank's *The Business Hour* will cover:

- What a cyber attack is and how businesses are particularly vulnerable
- Deconstruction of a cyber attack
- Steps that you can take to ensure your business remains safe

Also discover how VISTAGE peer advisory groups help their members significantly outperform their competition, resolve critical and costly business issues, achieve work and personal life balance, and live a life without regrets.

Coffee and pastries will be served.

About Chris Aguilar

Chris Aguilar is the Vice President of Operations at C3 Systems and Security, which provides IT Management & Support and Network Security services in the Greater Los Angeles Area.
